SPECIAL FILMING CONDITIONS
1200 BLOCK OF WEST 7th STREET

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

It is the primary intent of these guidelines to minimize the disruption to the small businesses in this area by limiting the portion of the street that production companies may occupy or reserve.

- **Affected residents/merchants/businesses must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation. Notification should be done in both English and Spanish.** *Affected businesses are considered to be all businesses located on both sides of the block being utilized for filming activities. Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10 p.m.**, unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- Posting and parking on 7th Street will be limited to the **area in front of 1234 W. 7th Street (Westland Printing Co.) west to Hartford Avenue only.** No other parking spaces in this block may be used **without the approval** of the adjacent business.

- **Additional posting and parking is allowed on the west side of Hartford Avenue from 7th Street going south 300' AND the east side of Garland Avenue from 7th Street to 8th Street.**

- **All loading zones indicated by yellow curb or yellow signs must be kept open for use by nearby businesses.** *Production companies are not permitted to use them for any purpose unless the business or businesses served by the loading zone agrees. This is true even if the loading zone is within or adjacent to areas posted for the production company. Please note that there is one loading zone near the east end of the 1200 block of 7th Street as well as one on the east side of Hartford Avenue near 7th Street.*

- **Cast and crew may not park on area streets.** Off-street parking must be provided.

- **Generators must be shielded and should be located in areas of minimal disturbance. Production companies are prohibited from placing generators at the east side of Hartford Avenue from 7th Street going south 150'.**

- **Sidewalks must be kept clear at all times.**

- Production companies are encouraged to use the parking lot and/or empty space (for extras holding and restroom facilities) at 1234 W. 7th Street. The contact person is Seymour Cohen (310) 780-0493.

- **A FilmL.A. Monitor may be assigned on a case by case basis to encourage compliance with the permit and conditions. Assignment will be based on the size and scope of the film project.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

SPECIAL FILMING CONDITIONS
LOS ANGELES CITY HALL

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The City of Los Angeles recently completed a $300 million dollar renovation and restoration of the historic Los Angeles City Hall. Since its construction, this unique building has been one of Los Angeles' most popular locations. To preserve and protect the historic integrity of the building, while allowing production to continue, the following Special Filming Conditions have been established.

- **FilmL.A. will coordinate all filming activity at Los Angeles City Hall.**

- **Companies wanting to use City Hall must first reserve the facility through FilmL.A.'s reservation system.** FilmL.A. will maintain a calendar of filming activity, reserved filming activity, and all special events at City Hall. Reservations must be location specific to ensure the area of interest is available.

- **FilmL.A. will coordinate all scouting activity at City Hall**. A General Services representative will be required on all production tech scouts. During the tech scout the production company must provide all anticipated filming activity information. This information should include, but not be limited to, areas to be used for filming, lighting design, movements of cast and crew, equipment storage, equipment parking, catering, base camp, etc.

- **Following the tech scout, the production company must provide FilmL.A. a written, detailed list of final requests,** including, but not limited to, areas to be used for filming, placement of lights, removal or additions of signs, equipment storage, etc. The FilmL.A. permit must reflect all activity in City Hall and surrounding areas. Activity other than what is listed on the permit will not be allowed.

- **Notification of filming will be coordinated and performed by FilmL.A.** FilmL.A. will ensure that the elected officials, city employees and the general public engaged in activity at City Hall are made aware of all film production activity.

- **To ensure agreement between the production company and the City regarding the condition of City Hall and the surrounding areas**, a pre-prep and post-strike walkthrough will be required with a General Services representative.

- **Board of Public Works Hearing Room and the Mayor's Conference room are available for filming on a limited basis.** These rooms are regularly used to conduct city business but will be made available for filming whenever possible.

- **LAPD SECSD Officers will have a 4 hour minimum per officer, per shift, per day.**

- **A production company must cancel a shoot at least 2 business days in advance to avoid incurring any personnel fees.** In the event a shoot should be cancelled in in less than 2 business days, the 4 hour minimums may still be due for the LAPD SECD Officers that were hired to serve the production.

FILM L.A. Inc. PERMIT

- **Company must provide ample public signage regarding filming activity.** If the company plans to cover any signage, they should post photocopies of the covered sign near the original placement until the area is needed for filming.

- **Company must use layout board (or similar material) wherever equipment is moved or placed.** All equipment must have rubber or padded protectors on the equipment feet or equipment bottom.

c. No filming may be conducted in close proximity to major public events anywhere in Downtown Los Angeles as permitted by the LAPD, or identified with 30 days notice to the City's Designated Film Permit Contractor by DLANC. Film permits may be considered in light of major public events on a case-by-case basis so long as their issuance will not cause further disruption to Downtown businesses and residents during such events.

3. RESIDENTIAL AND MERCHANT PROTECTIONS IN THE DLANC BOUNDARIES

a. A film permit may include no more than 300 feet of curb lane per city block for the parking of film production vehicles, crew or equipment. Requests for additional amounts of curb lane shall require a signature survey. The **Broadway Entertainment District** is exempt from this restriction.

However, under no circumstances shall a generator be placed directly underneath a residential window.

b. Film productions must focus lighting on the filming area only and make every effort to shield the lighting from adjacent properties, pedestrians, and patrons of commercial businesses at all times. Exceptional lighting (e.g., Musco and Bebee lighting) outside of regular filming hours shall not be allowed without a signature survey of the affected merchants and/or property owners. **Signature survey shall be required for Exceptional lighting within the Old Bank District between the hours of 6:00 p.m. and 6:00 a.m.** Under no circumstances shall lighting be directed onto oncoming traffic.

High impact filming activity must be preceded by notifications at least two days in advance. The City's Designated Film Permit Contractor or the production company shall consult a designated DLANC representative when an applicant requests a permit for high impact filming activity with less than two days notice.

Variations from the requirements of the permit are not allowed unless approved by an authorized representative of the City's Designated Film Permit Contractor.

b. Film productions must focus lighting on the filming area only and make every effort to shield the lighting from adjacent properties, pedestrians, and patrons of commercial businesses at all times. Exceptional lighting (e.g., Musco and Bebee lighting) outside of regular filming hours shall not be allowed without a signature survey of the affected merchants and/or property owners. **Signature survey shall be required for Exceptional lighting within the Old Bank District between the hours of 6:00 p.m. and 6:00 a.m.** Under no circumstances shall lighting be directed onto oncoming traffic.

c. Film production companies are required to completely remove all trash, food, and cardboard boxes, etc. from the general vicinity at the end of each filming day. Film production companies will be held responsible for the actions of catering companies they employ to provide food for the cast and crew.

5. SPECIAL REQUESTS AND EXCEPTIONS REVIEW AND NOTIFICATION WITHIN THE DLANC BOUNDARIES

a. Helicopters shall not be granted permits for landing at non-certified helipads before and after approved filming hours. All aerial filming productions must provide upon request a copy of an approved FAA Form 7711-2, or other official waiver, along with a copy of the briefing on the flight operations for all participating persons or property.

b. No film permit shall be construed as a waiver of 14 CFR § 91.119, 14 CFR § 91.515(a) or 14 CFR § 91.303(e), dictating federal flight altitude regulations, for purposes of non-participating persons or property (see attachment).

c. Notification beyond the standard 500-foot radius will be made to affected residents and merchants for high impact activity that is likely to cause interference with adjacent properties of people such as car chases, simulated gun fire, explosions, screams for help and other loud noises, helicopter activity, road closures or other such exceptional activities that might cause a police response to the filming location. High impact filming activity must be preceded by notifications at least two days in advance. The City's Designated Film Permit Contractor or the production company shall consult a designated DLANC representative when an applicant requests a permit for high impact filming activity with less than two days notice.

d. Due to the location of building air intake systems on Lower Grand Avenue, no special effects, including smoke, steam or fog, may occur in that area without first obtaining

clearance from the appropriate building contacts and maintenance engineers. Contact must be made at least 48 hours prior to the proposed effect(s).

6. FILMING-RELATED CONGESTION WITHIN THE DLANC BOUNDARIES

a. The City's Designated Film Permit Contractor will ensure that the impact from filming at recurrently used locations is minimized to the affected residents and businesses.

b. In rush hour restricted lanes, as designated by LADOT, no Intermittent Traffic Control (ITC) shall be permitted during Rush Hours (7:00 a.m. – 9:00 a.m. and 4:00 p.m. – 7:00 p.m., Monday through Friday). No simultaneous closures or ITC of both the Second and Third Street Tunnels will be permitted.

c. Production companies shall request the posting of "no parking" signs, lane or street closures with LADOT for the day(s) that they are "on site" only. When closures are not necessary for the day(s) requested, production companies shall report the changes to the City's Designated Film Permit Contractor, who shall notify LADOT, who must revise and/or remove parking signs, as necessary.

d. Production companies must provide adequate detour and directional signage when street closures are in place, conforming to current LADOT standards and practices. Detour routes must accommodate large, semi and tractor trailer trucks and public transit vehicles.

7. ENFORCEMENT OF CONDITIONS

a. In accordance with the terms of their work permit issued from LAPD, off-duty or retired police officers must, upon reporting to a work site, review and ensure compliance with conditions outlined on the filming permit. Officers shall ensure compliance with arrival and departure time, and shall not allow any activity or conduct that is in violation of local or state law, nor allow any filming condition that is not authorized by the permit. Variations from the requirements of the permit are not allowed unless approved by an authorized representative of the City's Designated Film Permit Contractor.
